The Bradshaw Christian School Athletics Department is offering local supporters the opportunity to reach out to our sports fans and parent community through our exciting advertising program.

Although our varsity athletic program is only three years old, our accomplishments have been vast.

- In 2007-08 every varsity team made the Sac-Joaquin Section Play-offs
- Women's Basketball was the Sacramento Metropolitan Athletic League (S.M.A.L.) Champions, then moved on to the Sac-Joaquin Playoffs at Arco Arena where they were crowned Section Champions and ultimately played in the Nor-Cal State Championships
- Women's Soccer was the Sacramento Metropolitan Athletic League (S.M.A.L.) Champions; moving on to the Sac-Joaquin Section Championship
- Both Women's Volleyball and Men's Basketball were also Sacramento Metropolitan Athletic League (S.M.A.L.) Champions
- In only our second season, Varsity Football finished second in the S.M.A.L. making their first appearance in the Sac-Joaquin Play-offs
- Our Baseball Program also made huge strides as they finished 2<sup>nd</sup> in the S.M.A.L. and qualified for the Sac-Joaquin Play-offs
- 2008 saw BCHS opened the Jerry Rose Baseball Complex, home of Greg Vaughn Field, a premier baseball complex in the Elk Grove/Sacramento community
- 3 league MVP's and over 20 first team all league nominations
- 5 Coach of the Year nominations
- Jessica Gregory was our first Division I scholarship signee (Sacramento State Women's Soccer)

Bradshaw Christian School is Pre-K through 12<sup>th</sup> grade with over 1200 families committed to our pursuit for excellence. Our athletic program extends beyond high school and includes both our middle school and elementary school. These programs have proven to be very competitive in both the public and private school leagues. In addition to the athletic exposure, Bradshaw Christian School offers several unique opportunities for your advertising to reach potential customers through pageants, plays, concerts, chapels, seminars, banquets, graduation ceremonies, and our rental program which invites community events onto our campus.
