

# Family Fundraising Goal

*Together we can!!*

## ***Why do we fundraise?***

Tuition income does not cover the cost of educating the students at BCS. There is a gap of nearly \$300,000.

The School Board chooses not to raise tuition by that much so that we can continue to offer an affordable private Christian school education to as many as possible.

***We fundraise to fill this financial gap!***

## ***Family Fundraising Goal***

The \$300,000 gap seems overwhelming unless we work together. That's why we've created a Family Fundraising Goal. If each family raises \$340 – we can close that gap!

***Together we can!!***

## ***Fundraising Options***

In order to successfully fundraise, we ask each family to consider which avenue(s) they will use to meet their Family Fundraising Goal.

We choose fundraising options that we believe will benefit our families. (Selling to others means no out-of-pocket cost to parent)
