SCHOOL

Bradshaw Christian School is a non-profit, non-denominational Christian school enrolling students in preschool through 12th grade. The school was founded in 1993 by individuals committed to the Christian faith and its impact through the education of young people. The high school began with a freshman class in the 2003-2004 school year, which eventually became the first graduating class of Bradshaw Christian High School in 2007.

MISSION STATEMENT

The mission of Bradshaw Christian School is to glorify God through the training and nurturing of students in their spiritual, academic, physical, emotional, and social development. This is achieved through a Christ-centered education based on biblical truth, which leads to the formation of the character of God within. God's character imparts wisdom, knowledge, and love, helping our school community develop a world-view that will impact the world for Christ.
