Dear Bradshaw Christian Families,

I hope this message finds you well! My name is Jordan Waterman, and I am honored to introduce myself as the new Clyde's Club, Aide, and Summer Camp Director here at Bradshaw Christian. My wife, Jessica, and I are blessed to be the parents of a wonderful 5-year-old son named Jackson. We are truly excited to continue our parenting journey together, nurturing our child's growth and faith.

Although I am new to the Bradshaw Christian community, I bring with me a wealth of experience working with children in various capacities. Most recently, I served as the Director of Coaching and Business Operations for a local *Soccer Shots* franchise. In this role, I found great joy in teaching youth the fundamentals of soccer and the important life skills that come from sports, such as teamwork, perseverance, and respect. It was incredibly rewarding to train young staff members, equipping them with the skill sets needed to inspire and guide children effectively.

In addition to my work with *Soccer Shots*, I also run flag football leagues in Stockton and Sacramento. My experience further extends to serving as an instructional aide, and varsity football and wrestling coach at Encina High School. These roles have allowed me to foster a supportive and engaging environment for students, and I have cherished every opportunity to contribute to their personal and athletic development.

As I step into this new role at Bradshaw Christian, I am eager to get to know the wonderful students, families, and staff here. I am confident that with God's guidance, this new chapter will be a rewarding experience for all of us. I look forward to collaborating with you and making a positive impact on our children's lives as we grow together in faith and learning.

Please don't hesitate to contact me with any questions, ideas, or concerns. I am here to ensure our children have a nurturing and enriching experience.

Thank you for welcoming me into this vibrant community. I am excited about the journey ahead!

If you have any questions or concerns, please call me at (916) 520-7227 ext. 101 or email me.

Warm regards,
Jordan Waterman
