Join the PRIDE and Experience the VALUE of a Christian Education!

Considering public school and local daycare? For just about \$100 more per month than daycare alone, your child can attend Bradshaw Christian School—receiving a quality Christian education and daycare. ***Bradshaw Christian School: a valuable place for your child to grow and thrive!***

- ***Financial Aid*** - Bradshaw strives to provide as much financial assistance as possible to families in need. We offer partial tuition assistance grants to qualified TK-12 students. Qualification is need-based and families can **receive an award for up to 25% of their tuition**. See the school website for details. <https://www.bradshawchristian.com/admissions/financial-aid/>
- ***12 Month Tuition Plan*** - By spreading tuition over 12 months instead of the traditional 10, your **monthly payment will decrease anywhere from \$127 to \$187**. Payments begin in June 2026 and end the month of May 2027.
- ***RaiseRight Tuition Rebate Program*** - Put your shopping to work for your tuition! Order gift cards for everyday expenses through our *RaiseRight* program and get rebates back on your tuition account three times a year. Participants have received **rebates that have ranged from \$20 to \$698, with the average being about \$218**. Friends and family members who participate can contribute to your rebate as well.
- ***County Childcare Resources*** - Did you know that qualifying, low-income families in Sacramento County may receive assistance towards the cost of all childcare related fees, such as our preschool program or any daycare costs? Check out programs like Child Action to see if you may qualify. Another consideration is that our full-time kindergarten program with before and after school care is actually **LESS** expensive than attending public school and a daycare program.
- ***529 Savings Plans*** - With the “*Tax Cuts and Jobs Act*” that was signed into law December 22, 2017, you can now use the 529 Savings Plan for K-12 tuition expenses up to \$10,000 per year, per child. The earnings of this fund are allowed to **grow free of federal tax**. Special federal tax provisions allow even grandparents and extended family to contribute to this savings plan. Talk to your financial planner about if this may help you.
