RaiseRight™

Formerly ShopwithScrip

RaiseRight (formerly ShopwithScrip) TAPS (Tuition Assistance Program) will help **reduce your tuition costs**. Just last year we credited over $46,000 to BCS families! All you do is purchase gift cards each week from places where you usually shop like Safeway, Bel Air, Wal-Mart, Chevron, Lowes, Starbucks, etc. There are hundreds of popular retailers. These retailers give you full value of your purchase, PLUS an additional rebate percentage. Bradshaw Christian School gives you 100% of this rebate which is **applied toward your tuition account three times during the school year**. TAPS is an excellent way for you to earn credit toward your tuition. For example: A $100 Safeway card has a rebate of 4%. If you purchase a $100 card once a week for a month for gas or groceries for a total of $400, you will earn $16 towards your tuition credit. Can you imagine if you purchased cards for fast food, gas, clothing, your business, landscaping, etc? Most of us shop at these places routinely, so the TAPS program becomes easy and convenient. Family and friends can also be included in purchasing scrip and their earnings can be applied toward your tuition credit. Many families have used their credits to help pay for their registration fee, growth fee, a monthly tuition, or daycare fees. With a little planning and consistent use, the average family can earn $400-$500 or more per school year.

Here's how to get started!

One time Registration is quick and easy:

1. To be a participant in TAPS, you must fill out and turn in the BCS TAPS Registration Form. This form tells us your designated scrip pick up location, tuition account you are earning funds toward, and who is authorized to pick up your order. ALL PERSONS ORDERING SCRIP MUST TURN THIS FORM IN BEFORE THEIR FIRST ORDER. Please be aware of the office hours assigned to our various campus locations when choosing your pick up location.

2. Go to https://www.raiseright.com

   Click the "Get Started" then Join a scrip program.
   Enter the enrollment code: **6f49151C17479** and register.
   Complete steps 1 and 2. On Step 3: Add "First Name", "Last Name", and "Students Name"

   YOU MUST PUT THE STUDENT'S NAME. THIS IS NECESSARY FOR ACCOUNT VERIFICATION. During online registration, please note your child's name (student at BCS) in the Option field. This will insure the rebate will go to the correct tuition account. If family and friends will be setting up an account for your tuition rebate they MUST include your child's name (BCS student). Any rebates without prior designation will be applied to the BCS Financial Aid Fund.

Option 1 – Payment by check

1. Order online and bring a check to any of the offices, along with a copy of your order by Monday at 6pm. No orders will be released unless a check/payment has been turned in.

Option 2- Payment by Credit/Debit Card/Bank Account

1. Select the Settings option on the RaiseRight App.
2. Select Payment / Options
3. From there it will let prompt you to add your bank account.

*Credit and Debit cards can only be added during checkout

Now you are ready to place your order:

Go to www. https://www.raiseright.com and view your many choices of vendors.

Hover your mouse over the gift cards. You can choose 3 different options: physical card, the green triangle (which is a reload of a card that you have already purchased from our organization) or the red exclamation mark is Scrip Now.

Click "Add to Cart" and proceed to check out.

That is it! You are ready to go ☺

******* TAPS IMPORTANT DETAILS *******

TAPS orders with payment by check are due in our office by Monday at 6pm and PrestoPay orders may be completed up until 8am on Tuesday. All orders must have payment before they will be submitted by our coordinator. **Orders will be ready for pick up on Friday morning.** Late orders cannot be filled until the following week.

1. BCS does not receive any profit from this program – 100% of the rebate goes to the participating family. ☺ Rebates are posted to tuition statements on the 1st of December, February and May.

2. **Rebates are not transferable once posted to your account and can not be redeemed for cash. If you wish to give your rebate to another family it must be done prior to the posting date!**

3. The TAPS scrip cards are just like cash. Upon pick up please verify the content accuracy. Once your order has been picked up, BCS is no longer responsible for the scrip cards. **A card that has not been used for over 60 days will become inactive and cannot be reloaded**.

4. Once you have submitted your order online, your order cannot be changed or refunded! Great Lakes Scrip Center does an excellent job at preventing backorders, (we have yet to have one) however, during the holiday season it is my suggestion to get your orders in as soon as possible.

5. Please read the individual company information for any conditions or policies the company has designated with the card use. These can be viewed on the back of the card before ordering.

6. You can also have friends and family earn rebates for your students tuition account. Simply give them the enrollment form, introduction sheet and registration form and have them set up their own account just the way you do.

7. There will be a **$35** fee for any returned checks and this may result in your expulsion from the TAPS program. **This applies to all checks including those placed through PrestoPay.** BCS is charged by the scrip company and will not provide any waivers.
